

# Christmas Lake Golf Club July Stuff...

## SENIOR AMATEUR 2021

The 2021 Pepsi Cola Senior Amateur Golf Classic takes place on Saturday & Sunday, July 24 & 25. This is one of the Tri State's premier Senior Golf Events. It is a great event for all ages and handicaps with pre-flighting by handicap for this 50 and over event. The event will be played from white or green tees based on the flight you fall in. Here are the details..

### FORMAT

36 Hole Flighted Medal Play Event. Gross scores only except for the last flight unless handicap spreads within flights dictate otherwise.

### ENTRY FEE

\$110.00 per player (\$90 for CLGC Members). Includes all cart/green fees, tee gift, range balls, Saturday lunch, and a waived green fee return coupon in 2021. The entry fee also includes a waived green fee practice round for participants prior to the event.

### FLIGHTING

The event will be pre-flighted by handicap based on the number of entries.

### ELIGIBILITY

This event is open to any Amateur golfer 50 YEARS OF AGE OR OLDER ON July 24, 2021. All players are required to have a verifiable USGA Handicap at a Club or Course with at least 5 posted scores for the current golf season. Players without handicaps will play as scratch.

### STARTING TIMES

Starting times will be assigned by the Golf Shop Staff. You may request an approximate time and pairing for Saturday only. No Sunday requests will be taken. Sunday times are based on positioning within flight.

### TEES

The course will play from the white tees and/or green tees based on handicap and flight.

## Men's Club Championship

The Men's Club Championship will be played on July 10/11. This is a pre-flighted Stroke Play Event. Here are the specifics...

### ELIGIBILITY

You must keep your handicap at Christmas Lake Golf Course and play the majority of your golf at Christmas Lake. Those who play most of their golf at Christmas Lake and do not have a handicap may play to a scratch and compete in the Championship Flight.

### ENTRY FEE

The entry fee is \$40.00 per player for Members and \$90 for regular customers and includes all golf fees, range balls prior to each round, and Golf Shop credit prizes for winning players.

### PAIRINGS

Pairings will be made by the Golf Shop Staff. Saturday pairings will be made to accommodate time needs, with Sunday pairings based on first round gross standings within your flight.

### RULES OF PLAY

We will play USGA Rules of play with a local rules sheet being supplied prior to play.

### FLIGHTING

After all entries come in, we will flight the event based on handicap. The number of flights depends on the number of players entered and the handicap breakdown. We will also have awards for Senior Divisions. We will use handicaps on the board on Thursday, July 8th for flighting and net scoring. Players 65 and over as of July 10 can compete in the Regular or Senior Division by choice (White Tees vs Green Tees).

### SIGN UP

Sign up on the bulletin board in the hallway. **DEADLINE... Thursday, July 8th at noon or email Tom at [tnelson@christmaslakegolf.com](mailto:tnelson@christmaslakegolf.com).**

**TREVOR TIME...a word from the Super**

A little rain would be nice if anyone knows anyone! The course is doing well as we get our staff in tune and poor Dustin continues to fight irrigation issues (successfully). One request, especially for our local players. Please keep the carts ON THE PAVED PATH inside of the white stakes in front of the green. A number of people are taking a few too many liberties with driving to the edge of the green. We also need everyone to stay out of the heather areas with carts. As the weather dries, the threat of spark fires escalates...a thing we don't need. Thanks to all who have had nice things to say about the course and to Kim & Susan on the landscaping improvements as we move forward as well!

**JUST PLUGGING AWAY...**

We would first like to thank everyone for their patience and great support in an obvious transition year at CLGC. Things are going very well, but obviously with some things we would like to be doing quicker. The new Golf Shop is complete and looks great and the new bar area is nearing completion and already being used on a limited basis. Although using a grab bag of patio furniture, we have dressed the back patio up a bit and the reversal of the 9s has created a great atmosphere watching golfer struggles as

players wrap up their rounds. Our events are being very well attended and outing play is up. We plan on continuing the process with the remodeling of the dining area to continue...eventually with new lighting and hardwood floors along with a metamorphosis of the old golf shop into more dining space and a nice waiting area. For the 2022 season, we will look at dressing up the pool area and continue the Clubhouse upgrade. Thanks again and thanks for realizing the process takes time (and revenue) for us to move on and up!
