## Back 9 Grill Staff Falling into Place...

CHAPTER 1-2021  
As any food and beverage department experiences at any type of establishment, getting the right staff in place and retaining that staff is a key to success. When you toss in COVID and a major Clubhouse renovation, things get even more interesting. Although there is constant change in the staff which changes what your strengths and weaknesses are, when things start to mold themselves into place, your consistency gets better along with the confidence of putting out great products. We are on the edge of doing that and finding our niche' and trying some new things. We have postponed an event or two so we can be better prepared to do them correctly the first go around.

We would like to welcome Zach Fowler and Mary\_\_\_\_\_ to our family and the kitchen along with Nick Gordon to the Back 9 Grill Bar along with a few new hires we have made this week.

The Sunday Wing days have gone great and look for some new and exciting things to come as we focus on our consistency to give everyone what they deserve...a great food product, a great bar experience, and an overall good time as we continue to morph the building into the interior we have envisioned from day 1.  
CHAPTER 2-Coming soon.

It's one of our more popular events, so we opened it up. It's an individual event pre-flighted by handicap. On Saturday, you play from the Gold Tees at about 7300 yards, but Sunday you get to move to the Reds at just over 5000 yards. The entry fee is \$100 and includes all golf and cart fees, range balls, golf shop credit prizes, entry into a cash skins game each day, and a coupon to come back next season and play a round for cart fee only. Start planning your fall schedule now and put this great event on your list!

**GOLF SHOP PRODUCT ISSUES...**  
We would like to apologize for our continued woes in receiving product from our suppliers and hope the upcoming season is better. If you want to buy a golf ball right now, I will have to send you in another direction with supply chains dry. We still have a decent amount of merchandise and hope to be receiving some fall apparel, but can't make any promises at this point with the industry in an interesting spot.  
As new merchandise arrives, we will send out emails.  
I would especially like to apologize to those having placed special orders that we are waiting on. Hopefully the process gets better soon.
